

**RES (Rotary European Stars) is a weekend seminar to support 30 young students coming from Italy, Germany and France. The seminar focuses on Peace in Europe and how to promote it. Dare to think outside the box in dialogue with the other participants and find exciting new ideas about values and meaning in your private, professional and social life.**

**The three-day programme includes outdoor activities, talks by diverse personalities, group exercises, discussion rounds and fireside chats as well as plenty of time to get to know each other and network.**

**In 2025, the seminar is from Friday May 30th to Sunday June 1st in LYON (France).**
